TO SWANS ISLAND LOBSTER FISHERMEN:

As you are likely aware, current legislation passed (Public Law No. 13) An Act Amending the Trap Limit for the Swans Island Lobster Conservation Area (Emergency) to increase the trap limit for Swans Island Lobster Conservation Area (SILCA) registrants from 550 traps to 600 traps.

For those fishermen who would like to order those additional tags at this time, please complete the attached form and return it to the Department.

Keep in mind only fishermen who have either 500 tags in 2014 or purchased 550 in 2015 are eligible to increase their trap limit to 600. Fishermen are **ONLY** eligible to increase by 100 per year – and this applies to this increase as well.
